---

# Clean Hands, Better India

---

As part of our commitment to Health & Livelihood, we donated 100 automatic sanitizer stands during the COVID-19 pandemic.

These stands were strategically placed in key healthcare and public service facilities to promote better hygiene practices.

By providing easy access to hand sanitization, we aimed to support efforts in curbing the spread of the virus, ensuring a safer environment for all.

# Disaster Management Donations

---

Through multiple initiatives, we donated essential household items, dry ration kits, and food supplies to those in need, ensuring basic necessities.

These efforts reflect our dedication to improving health and livelihoods in vulnerable communities.

# Disaster Management Relief

---

In response to the devastating floods, our disaster management efforts focused on providing immediate relief to those affected.

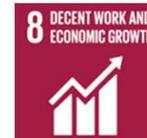

We distributed rice bags to local communities and sanitary staff, ensuring that essential food supplies were available during this critical time.

By supporting both residents and frontline workers, we aimed to alleviate the hardships caused by the disaster, reflecting our commitment to safeguarding livelihoods and promoting community well-being in times of crisis.

## TIWEA - Corona Relief Fund

---

We made a significant contribution to the TIWEA Corona Relief Fund to bolster essential health and welfare initiatives during the pandemic.

This support was aimed at enhancing public health measures and providing relief to those severely impacted by the crisis.

Our donation underscores our dedication to community welfare and our commitment to addressing urgent needs during emergencies, aligning with our core focus on health and overall well-being.

---

## Ration Kits

---

We provided ration kits to families in need, containing essential food items to support their daily needs.

This initiative underscores our focus on health and livelihood, ensuring that vulnerable individuals have access to necessary resources.

By addressing immediate food security, we aim to improve the quality of life and support community resilience during challenging times.
